

WELCOME

Dear guests,

We are very pleased to welcome you in our small restaurant.

High quality food and drinks, authentic service and a cozy ambience are the three most important ingredients for us to make you feel at home.

Since 2002, we have stood for **gastronomy with heart** in beautiful Asperg. We have always remained true to this philosophy – first in the Alte Krone, later in the Gasthof zum Bären and since 2013

here in our own business in Gartenstraße. The fact that many of our guests have also remained loyal to us for years fills us with pride and drives us on. But we are also happy about every new guest who comes to vico's for the first time – whether in the restaurant or in our hotel, which has 15 rooms.

You are welcome to enjoy our dishes at home. We also offer all specialties to take away. We look forward to your advance order at **07141 660314**. You can find our menu on our website **www.vicos-asperg.de**

And if you enjoyed it, we would be happy to hear a few **nice words** from you. Preferably in person, of course, but also gladly on Instagram or Facebook in the form of a post, comment or like. We are also very grateful for a positive review on Google or Booking.com. If something is not to your satisfaction, please contact us directly.

Enjoy your stay.
